LEGENDARY GENETICS

ANNUAL AUCTION

8 APRIL 2017 @ 11:00

Welcome

The Eastern Cape has been one of the strongest founding provinces of South Africa's Wildlife Industry; it was here where the Disease free Buffalo made significant resurgence – where the Bontebok and Cape Mountain Zebra found refuge and over time, long-term survival of the species. It is here where you will still find the Rancher walking the mountains, caring for his Vaal Rhebuck and Klipspringer populations. It is a time honoured commitment celebrated in this province. Signature Wildlife has created this opportunity to showcase the Legendary Genetics of our Province.

Like minded Ranchers have come together to make this a reality. A diverse Province with seven biomes from the harsh Karoo flats, koppies and mountains, to the "Smaldeel" grasslands which lead into the thickets of the Great Fish River Valley. South of Grahamstown is the sweet grassland and wooded kloofs of the Southwell district. In distant view lies the Indian Ocean and on its shores are the forests and glades of the Woody Cape. The diversity of habitat and species is unparalleled, but the Ranchers behind it are unified in the objective of producing legendary genetics that will adapt to any conditions.

Our commitment to the land, the animals and the rural regeneration of our Country is our motivation.

We appreciate your presence and support at our second annual sale.

Signature Wildlife
"Legendary Genetics"

Die Oos-Kaap word beskou as een van die grootste hoekstene van Suid-Afrika se Wildbedryf, dit is hier waar die Bontebok en Kaapse Bergsebra toevlug, en langtermyn-oorlewing gevind het. Dit is hier waar die boer die berge onder sy voete en sy Vaalribbokke en Klipspringers in sy hart het. Dit is hierdie verbintenis wat ons in ons provinsie kan vier. Signature Wildlife het nou die geleentheid geskep om met die Legendariese Genetika van ons provinsie te spog.

Eendersdenkende boere het saamgekom om dit 'n realiteit te maak. 'n Diverse provinsie, met sewe biome, waaronder alles van die harde Karoo-vlaktes, tot die Smaldeel-grasvlaktes wat lei na die Groot-Visriviervallei se bekende bos. Suid van Grahamstad is die soet grasvelde en die boomryke klowe van die Southwell-distrik. In die verte lê die Indiese Oseaan, met die woude en ooptes van Woody Cape op sy oewer. Die verskeidenheid van habitate en spesies is sonder weerga, maar die wildboere daaragter het een doel voor oë: Om legendariese genetika bekend te stel wat in enige omstandighede kan aanpas.

Ons verbintenis tot die grond, die diere en die landelike hervorming van ons land is ons dryfveer.

Ons waardeer u teenwoordigheid en ondersteuning by ons tweede jaarlikse veiling.

Rules of Auction

RULES OF AUCTION

in respect of sales by

Wildswinkel Veilings (Pty) Ltd – Registration Number: 2015/316030/07

8 April 2017

Kwandwe, Grahamstown

(As auction house, herein after referred to as the “Auctioneer” and the person conducting the auction referred to as the “auctioneer”)

1. All goods sold by auction will not be subject to a reserve price, unless specifically stated otherwise by the auctioneer at the start of the auction.
2. Unless where notice is given, it is not allowed that the Owner / Seller, his agent or the Auctioneer may bid on any of the Owner’s / Seller’s goods sold by auction. However, individual Sellers may bid on other Sellers’ animals.
3. These Rules of Auction comply with Section 45 of the Consumer Protection Act, Act 68 of 2008 (“the Act”) and the Regulations of the Act as applicable, which read as follows:

Section 45: “Auctions”

- 1) In this section, “auction” includes a sale in execution of or pursuant to a court order, to the extent that the order contemplates that the sale is to be conducted by an auction.
- 2) When goods are put up for sale by auction in lots, each lot is, unless there is evidence to the contrary, regarded to be the subject of a separate transaction.
- 3) A sale by auction is complete when the auctioneer announces its completion by the fall of the hammer, or in any other customary manner, and until that announcement is made, a bid may be retracted.
- 4) Notice must be given in advance that a sale by auction is subject to—
 - a) a reserved or upset price; or
 - b) a right to bid by or on behalf of the owner or auctioneer, in which case the owner or auctioneer, or any one person on behalf of the owner or auctioneer, as the case may be, may bid at the auction.
- 5) Unless notice is given in advance that a sale by auction is subject to a right to bid by or on behalf of the owner or auctioneer—
 - a) the owner or auctioneer must not bid or employ any person to bid at the sale;

b) the auctioneer must not knowingly accept any bid from a person contemplated in paragraph (a); and

c) the consumer may approach a court to declare the transaction fraudulent, if this subsection has been violated.

- 6) The Minister may prescribe requirements to be complied with by an auctioneer, or different categories of auctioneer, in respect of—
 - a) the conduct of an auction;
 - b) the records to be maintained with respect to property placed for auction; and
 - c) the sale of any such property by auction.
4. The auction is conducted for the normal and voluntary disposal of the Owner’s / Seller’s goods.
5. The auction will start at the published time. The auction will not be delayed to allow any specific person or more persons to take part in the auction.
6. All goods sold at the auction are sold by the Auctioneer as agent on behalf of the Owner / Seller. The Owner / Seller hereby authorises the Auctioneer to issue invoices, credit and debit notes as applicable on its behalf and agrees not to issue the aforementioned for the same supply. The Owner/Seller also hereby authorizes the Auctioneer to collect the purchase price from the Buyer and the Owner / Seller do hereby cede to the Auctioneer all the Owner / Seller’s rights, title and interest in and to its claim for payment of the purchase price against the purchaser, which session the Auctioneer do hereby accept.
7. The purchase price of the goods sold by auction specifically excludes VAT and VAT must be added to the purchase price and paid by the Buyer unless specifically indicated otherwise. Declaration and compliance related to all applicable taxes is the responsibility of the Owner/Seller and Buyer as relevant.
8. Risk in respect of profit and loss in the goods sold per catalogue shall pass to the Buyer upon the fall of the hammer and upon acceptance of the bid by the Owner/Seller. Save for where boma animals are auctioned, such risk will specifically exclude mortality of the goods. The risk in mortality of the goods will remain with the Owner/Seller until the goods are loaded on the Buyer’s transport. In the event where boma animals are auctioned, risk in respect of profit and loss in the goods sold will pass to the Buyer upon the fall of the hammer, which risk include mortality. Notwithstanding the passing of risk, ownership shall remain vested in the Owner/Seller until such time as the full purchase price has been paid to the Owner/Seller.
9. Delivery of the goods sold at the auction, shall only be given to the Buyer upon the Buyer

fully performing its payment obligations in accordance with these conditions of sale. The Owner / Seller shall be responsible for costs incurred to deliver the goods on the Buyer's transport. The Buyer shall be responsible for procuring and paying for transport of the goods from the Owner / Seller's property.

10. The parties specifically agree that no bid may be retracted after the bid has been knocked down (fall of the hammer) and accepted by the Owner / Seller, unless the Owner / Seller consents thereto in writing.
11. Subject to any reserve price placed on any of the goods by the Owner / Seller, and the provisions of clause 12 and 13 below, the Buyer at any sale by auction shall be the highest bidder indicated by the auctioneer by the fall of the hammer or by such other means as the auctioneer may select.
12. The auction shall take place under the direct and exclusive control of the auctioneer. The auctioneer reserves the right, in its sole discretion, to refuse the bid of any person, to regulate the bidding and to indicate the highest bidder. If the auctioneer suspects that a bidder has not made a bona fide bid, or is unable to pay the purchase price or has not made satisfactory arrangements for payment of the purchase price, he may refuse to accept the bid of such bidder or accept it provisionally until the bidder has satisfied him that he is in a position to pay the purchase price or that he has made satisfactory arrangements for payment thereof. On refusal of a bid under such circumstances the goods may immediately be re-auctioned.
13. In the event of a dispute arising amongst the bidders and / or the Auctioneer, the goods in dispute shall, at the sole discretion of the Auctioneer, be re-auctioned.
14. Any error by the auctioneer shall be entitled to be corrected by him or her immediately upon discovery.
15. Should any contractor remove any goods from the sale venue on instruction of the Auctioneer, acting on behalf of the Buyer, the contractor will be deemed to be the contractor of the Buyer who accepts all costs and risks connected with such removal.
16. The Owner / Seller warrants that there are no encumbrances on such goods, that the said goods are the property of the Owner / Seller, and that the Owner / Seller is competent and legally entitled to dispose of the goods.
17. The Owner / Seller, who offers the goods for sale, accepts all liability regarding the information furnished as to pedigrees, ages, dates of service, state of health or gestation or any other particulars which might be incorrect. 21. The Owner / Seller warrants that the goods sold are free of any known patent and latent defects and that any right or claim ceded to the Auctioneer in terms of these Rules of Auction is free of any defect or right of deduction or set-off, and that the said right or claim is fully and immediately enforceable against the Buyer.
22. The Buyer shall, prior to the sale, ascertain whether there are any defects in the goods and any bid by a Buyer shall be considered as acceptance of the goods with any patent or latent defects in their condition at the time of sale.
23. The Buyer shall not be entitled to withhold payment of the purchase price to the Auctioneer as a result of any possible or pending claim that he may have against the Owner / Seller on the grounds of misrepresentation or for any other reason whatsoever.
24.
