Signature Wildlife
LEGENDARY GENETICS

The Eastern Cape has been one of the strongest founding provinces of South Africa's Wildlife Industry; it was here where the Disease free Buffalo made significant resurgence – where the Bontebok and Cape Mountain Zebra found refuge and over time, long-term survival of the species. It is here where you will still find the Rancher walking the mountains, caring for his Vaal Rhebuck and Klipspringer populations. It is a time honoured commitment celebrated in this province. Signature Wildlife has created this opportunity to showcase the Legendary Genetics of our Province.

Like minded Ranchers have come together to make this a reality. A diverse Province with seven biomes from the harsh Karoo flats, koppies and mountains, to the "Smaldeel" grasslands which lead into the thickets of the Great Fish River Valley. South of Grahamstown is the sweet grassland and wooded kloofs of the Southwell district. In distant view lies the Indian Ocean and on its shores are the forests and glades of the Woody Cape. The diversity of habitat and species is unparalleled, but the Ranchers behind it are unified in the objective of producing legendary genetics that will adapt to any conditions.

Our commitment to the land, the animals and the rural regeneration of our Country is our motivation. We appreciate your presence and support at our inaugural sale.

Signature Wildlife

Die Oos-Kaap word beskou as een van die grootste hoekstene van Suid-Afrika se Wildbedryf, dit is hier waar die Bontebok en Kaapse Bergsebra toevlug, en langtermyn-oorlewing gevind het. Dit is hier waar die boer die berge onder sy voete en sy Vaalribbokke en Klipspringers in sy hart het. Dit is hierdie verbintenis wat ons in ons provinsie kan vier. Signature Wildlife het nou die geleentheid geskep om met die Legendariese Genetika van ons provinsie te spog. Eendersdenkende boere het saamgekom om dit 'n realiteit te maak. 'n Diverse provinsie, met sewe biome, waaronder alles van die harde Karoo-vlakte, tot die Smaldeel-grasvlaktes wat lei na die Groot-Visriviervallei se bekende bos. Suid van Grahamstad is die soet grasvelde en die boomryke klowe van die Southwell-distrik. In die verte lê die Indiese Oseaan, met die woude en ooptes van Woody Cape op sy oewer. Die verskeidenheid van habitatte en spesies is sonder weerga, maar die wildboere daaragter het een doel voor oë: Om legendariese genetika bekend te stel wat in enige omstandighede kan aanpas.

Ons verbintenis tot die grond, die diere en die landelike hervorming van ons land is ons dryfveer.

Ons waardeer u teenwoordigheid en ondersteuning by ons intreeveling.

Rules of Auction

in respect of sales by

Wildswinkel Veilings (Pty) Ltd – Registration Number: 2015/316030/07

14 April 2018

12:00

Kwandwe, Grahamstown

(As auction house, herein after referred to as the “Auctioneer” and the person conducting the auction referred to as the “auctioneer”)

1. All goods sold by auction will be subject to a reserve price, unless specifically stated otherwise by the auctioneer at the start of the auction.
2. Unless where notice is given, it is not allowed that the Owner / Seller, his agent or the Auctioneer may bid on any of the Owner's / Seller's goods sold by auction. However, individual Sellers may bid on other Sellers' animals.
3. These Rules of Auction comply with Section 45 of the Consumer Protection Act, Act 68 of 2008 (“the Act”) and the Regulations of the Act as applicable, which read as follows:
Section 45: “Auctions”
 - 1) *In this section, “auction” includes a sale in execution of or pursuant to a court order, to the extent that the order contemplates that the sale is to be conducted by an auction.*
 - 2) *When goods are put up for sale by auction in lots, each lot is, unless there is evidence to the contrary, regarded to be the subject of a separate transaction.*
 - 3) *A sale by auction is complete when the auctioneer announces its completion by the fall of the hammer, or in any other customary manner, and until that announcement is made, a bid may be retracted.*
 - 4) *Notice must be given in advance that a sale by auction is subject to—*
 - a) *a reserved or upset price; or*
 - b) *a right to bid by or on behalf of the owner or auctioneer, in which case the owner or auctioneer, or any one person on behalf of the owner or auctioneer, as the case may be, may bid at the auction.*
 - 5) *Unless notice is given in advance that a sale by auction is subject to a right to bid by or on behalf of the owner or auctioneer—*
 - a) *the owner or auctioneer must not bid or employ any person to bid at the sale;*
 - b) *the auctioneer must not knowingly accept any bid from a person contemplated in paragraph (a); and*
 - c) *the consumer may approach a court to declare the transaction fraudulent, if this subsection has been violated.*
 - 6) *The Minister may prescribe requirements to be complied with by an auctioneer, or different categories of auctioneer, in respect of—*
 - a) *the conduct of an auction;*
 - b) *the records to be maintained with respect to property placed for auction; and*
 - c) *the sale of any such property by auction.*
4. The auction is conducted for the normal and voluntary disposal of the Owner's / Seller's goods.
5. Buyers are bidding per piece to take the lot, unless where explicitly stated otherwise by the Auctioneer or in the Auction Catalogue.
6. The auction will start at the published time. The auction will not be delayed to allow any specific

person or more persons to take part in the auction.

7. All goods sold at the auction are sold by the Auctioneer as agent on behalf of the Owner / Seller. The Owner / Seller hereby authorises the Auctioneer to issue invoices, credit and debit notes as applicable on its behalf and agrees not to issue the aforementioned for the same supply. The Owner/Seller also hereby authorises the Auctioneer to collect the purchase price from the Buyer and the Owner / Seller do hereby cede to the Auctioneer all the Owner / Seller's rights, title and interest in and to its claim for payment of the purchase price against the purchaser, which session the Auctioneer do hereby accept.
8. The purchase price of the goods sold by auction specifically excludes VAT and VAT must be added to the purchase price and paid by the Buyer unless specifically indicated otherwise. Declaration and compliance related to all applicable taxes is the responsibility of the Owner/Seller and Buyer as relevant.
9. Transfer of risk:
 - 9.1 Risk in respect of profit and loss in the goods sold per catalogue shall pass to the Buyer upon the fall of the hammer and upon acceptance of the bid by the Owner/Seller. The risk in mortality of the goods will remain with the Owner/Seller until the goods are loaded on the Buyer's transport. Where delivery is included in the bidding price the risk in mortality of the goods will remain with the Owner/Seller until safe step-off at the Buyer's address.
 - 9.2 In the event where animals kept in boma are auctioned, risk in respect of profit and loss in the goods sold will pass to the Buyer upon the fall of the hammer, which risk include mortality.
 - 9.3 Notwithstanding the passing of risk, ownership shall remain vested in the Owner/Seller until such time as the full purchase price has been paid to the Owner/Seller.
 - 9.4 Notwithstanding par 9.1 to 9.2 above – the following provisions apply:
 - 9.4.1 Where delivery is delayed by the Buyer:
All risk will transfer from the Owner/Seller to the Buyer 30 days after the auction, alternatively 30 days after the goods have actually become available, upon advice from the Owner/Seller, whichever occurs last.
 - 9.4.2 Should delivery be delayed by the Owner/Seller:
All risk will transfer from the Owner/Seller to the Buyer 30 days after delivery was tendered by the Owner/Seller.
 - 9.4.3 Where goods are offered as a 3-in-1 per the auction catalogue, all risk transfers 30 days after the animal was certified pregnant (the second time) and delivery was tendered by the Owner/Seller to the Buyer. Where goods are offered with the option of a 3-in-1, and the Buyer has exercised such option, all risk transfers after the animal has calved or lambled the first time, alternatively upon the fall of the hammer where the animal has a calf or lamb on foot. The risk in respect of the animal, calve or lamb and additional pregnancy is for the Buyer. The Buyer is advised to take out insurance cover on animals remaining on the Owner/Seller(s) farms where risk has passed to the Buyer.
10. Delivery of the goods sold at the auction, shall only be given to the Buyer upon the Buyer fully performing its payment obligations in accordance with these conditions of sale. The Owner / Seller shall be responsible for costs incurred to deliver the goods on the Buyer's transport. The Buyer shall be responsible for procuring and paying for transport of the goods from the Owner / Seller's property.

Rules of Auction

11. The parties specifically agree that no bid may be retracted after the bid has been knocked down (fall of the hammer) and accepted by the Owner / Seller, unless the Owner / Seller consents thereto in writing.
12. Subject to any reserve price placed on any of the goods by the Owner / Seller, and the provisions of clause 13 and 14 below, the Buyer at any sale by auction shall be the highest bidder indicated by the auctioneer by the fall of the hammer or by such other means as the auctioneer may select.
13. The auction shall take place under the direct and exclusive control of the auctioneer. The auctioneer reserves the right, in its sole discretion, to refuse the bid of any person, to regulate the bidding and to indicate the highest bidder. If the auctioneer suspects that a bidder has not made a bona fide bid, or is unable to pay the purchase price or has not made satisfactory arrangements for payment of the purchase price, he may refuse to accept the bid of such bidder or accept it provisionally until the bidder has satisfied him that he is in a position to pay the purchase price or that he has made satisfactory arrangements for payment thereof. On refusal of a bid under such circumstances the goods may immediately be re-auctioned.
14. In the event of a dispute arising amongst the bidders and / or the Auctioneer, the goods in dispute shall, at the sole discretion of the Auctioneer, be re-auctioned.
15. Any error by the auctioneer shall be entitled to be corrected by him or her immediately upon discovery.
16. Should any contractor remove any goods from the sale venue on instruction of the Auctioneer, acting on behalf of the Buyer, the contractor will be deemed to be the contractor of the Buyer who accepts all costs and risks connected with such removal.
17. The Owner / Seller warrants that there are no encumbrances on such goods, that the said goods are the property of the Owner / Seller, and that the Owner / Seller is competent and legally entitled to dispose of the goods.
18. The Owner / Seller, who offers the goods for sale, accepts all liability regarding the information furnished as to pedigrees, ages, dates of service, state of health or gestation or any other particulars which might be incorrect. In the event of any dispute the Buyer shall only have a claim against the Owner / Seller and not against the Auctioneer. The Owner / Seller and Buyer indemnify the Auctioneer against any claim(s) regarding the information furnished as to pedigrees, ages, dates of service, state of health or gestation or any other particulars which might be incorrect.
19. Should any animal auctioned by catalogue be sold as pregnant, pregnancy will be confirmed upon capture for loading, costs of which are for the Owner's/Seller's account. Boma animals sold as pregnant was confirmed as pregnant prior to the auction. A veterinarian's report confirming pregnancy will be regarded as final. Furthermore, where an animal is sold as pregnant, pregnancy upon loading is guaranteed, but no calf or lamb is guaranteed. Once safely loaded onto the Buyer's transport, the risk of the animal's pregnancy transfers to the Buyer.
20. Where goods are put up for auction the following conditions apply to such goods:
 - 20.1 Where the age of the animals are not specified, the animals will be regarded not to be older than 5 years and in a good and healthy condition.
 - 20.2 All animals put up for auction must, where applicable, be visibly marked with ear tags and/or microchips.
 - 20.3 Where available, DNA information of the animals must be provided to the Auctioneer in order for the Auctioneer to include such information in the Auction Catalogue.
 - 20.4 In the event where the photos and specifications are not animal specific; the Buyer has the right to choose a similar animal, as described, from the herd concerned, and presented in the Auction Catalogue.
 - 20.5 In the event where the Owner/Seller acted *bona fide* and the animals put up for auction did not meet the specifications as described in the Auction Catalogue (i.e. pregnancy, age horn length, etc.), the Buyer has the right to cancel the transaction or to negotiate new terms and conditions. The commission shall be payable on the new terms as agreed upon between the Owner/Seller and Buyer and approved by the Auctioneer.
 - 20.6 Horn lengths provided by the Owner/Seller or its duly authorised representative, of animals put up for auction, are warranted by the Owner/Seller.
 21. The Owner / Seller warrants that the goods sold are free of any known patent and latent defects and that any right or claim ceded to the Auctioneer in terms of these *Rules of Auction* is free of any defect or right of deduction or set-off, and that the said right or claim is fully and immediately enforceable against the Buyer.
 22. The Buyer shall, prior to the sale, ascertain whether there are any defects in the goods and any bid by a Buyer shall be considered as acceptance of the goods with any patent or latent defects in their condition at the time of sale.
 23. The Buyer shall not be entitled to withhold payment of the purchase price to the Auctioneer as a result of any possible or pending claim that he may have against the Owner / Seller on the grounds of misrepresentation or for any other reason whatsoever.
 24. The purchase price is payable by the Buyer to the Auctioneer via electronic transfer ("EFT") on the date of sale ("the payment date") unless other payment terms and or means are agreed between the Auctioneer and the Buyer. The Auctioneer reserves the right to refuse any other method or means as payment. Payment by way of EFT will only be regarded as done as soon as the funds transferred reflects and are available in the Auctioneer's bank account.
 25. In the event that the Auctioneer agrees to facilitate the purchase of the goods by paying an amount equal to the purchase price to the Owner / Seller before the Buyer makes payment to the Auctioneer ("the Payment Terms Agreement"), then the following shall apply:
 - 25.1 The election to make any payment to the Owner / Seller shall be in the sole and absolute discretion of the Auctioneer, which discretion may be exercised separately with regards to each transaction entered into by the Buyer.
 - 25.2 Upon payment of the amount referred to in 25.1 above the Owner / Seller's right, title and interest in and to any claims and other rights against the Buyer in terms of or connected with the sale of the goods shall forthwith be ceded and transferred to the Auctioneer, which session the Auctioneer hereby accepts.
 26. In the event of any Payment Terms Agreement between the Auctioneer and the Buyer, the following shall apply;
 - 26.1 No Payment Terms Agreement shall be valid unless reduced to writing and duly signed on behalf of the Auctioneer. The facilitation of any sale by the Auctioneer as referred to in this paragraph 26 shall be strictly subject to the terms and conditions of the Payment Terms Agreement.
 - 26.2 In the event of any conflict between the contents of this document and the Payment Terms Agreement, the provisions of the Payment Terms Agreement shall prevail.
 - 26.3 No application for credit as defined in section 8 of the National Credit Act, Act 34 of 2005, will be

Rules of Auction

- received or considered by the Auctioneer.

Where a person is bidding on behalf of another entity the letter of authority must appear on the letterhead of the entity and must be accompanied by a certified copy of the resolution, if required, authorising him or her to bid on behalf of the entity. The person bidding on behalf of or signing any document on behalf of the Buyer pursuant to a successful bid hereby binds himself personally as co-principal debtor with the Buyer for payment of the purchase price and personally guarantees all the obligations of the Buyer under these Rules of Auction.
30. In the event where a Buyer allows another person to purchase on his or her Buyer's number, the registered Buyer shall be liable for payment of such purchases. 36. The bidder's record and the vendor or vendu roll will be made available for inspection within reasonable time after the auction at the office of the Auctioneer during normal business hours free of charge.
