7th Annual Auction
12 MARCH 2022

Word of Welcome

The last two years add to the great privilege we have of welcoming you to the 7th Signature Wildlife auction. We hope we will never forget this privilege. Our industry, after all, is a community and we have greatly missed the camaraderie, advice, and banter of our fellow game ranchers. It is our wish that you feel warmly welcome at our auction today and revel in this occasion. It is wonderful to have you with us.

We would like to thank our sponsors, without whom this day would not be possible. KUDA Insurance, Settler City Toyota, Pam Golding Properties, Meadow Feeds, SAPV Solar, and Splitting Image.

We trust that today will be a memorable day for you, that you find the animals you are looking for and enjoy our Eastern Cape hospitality.

Welcome!

WILDSWINKEL APP GUIDELINES

THE WILDSWINKEL SYSTEM EXPLAINED

DID YOU KNOW?

Our online platform is web and app-based and is available on all operating systems.

FIRST THINGS FIRST

Download the Wildswinkel App available for iOS, Android and Huawei. Click on the button that is relevant to your mobile device or simply scan the QR code with your smart device.

DIFFERENT TYPE AUCTIONS

The Wildswinkel platform provides you with 3 options to host your auction.

1. **Live Auction** - This is your traditional way of hosting an auction where the auctioneer closes the auction lot for lot with an audience. This method allows the bidder to bid online via live streaming in real-time or live on the floor at the auction. A countdown timer on the app indicates to the online bidder that final bids have to be placed before the auctioneer then closes the lot after the timer has run out.
2. **Livestream Auction** - Livestream auctions do not differ a lot from a Live Auction. There will be an auctioneer who still closes the auction lot for lot via Livestream, but no audience is involved at the auction. Bidding will only be done by telephone bidding or online bidding. The same principle for the countdown timer applies to a Livestream Auction.
3. **Timed Auction/Flash Sale** - This is purely an online auction. There is no auctioneer involved as it is a platform-based auction. Lots close in staggered intervals starting from a specific time and remain open for an undisclosed duration depending on the activity of each lot. There is a two-minute rule that applies. This simply means that when a bid is placed in the final two minutes before the lots closing time, the timer will extend by another 2 minutes to prevent bidders from losing out and to keep the bidding transparent and fair.

ONLINE AUCTION REGISTRATION PROCESS

The process to register online for any of the above-mentioned auction types remains the same. Simply create a user profile (one time only!) and click on 'Register to bid' for the relevant auction. You will receive a unique bidder number. Simply collect your bidder card from the registration table should you attend the auction. No paper, no scans, no waiting in line!

IMPORTANT TO REMEMBER

- Ensure your device's time settings is synced to international GMT+2.
- Always check your connectivity.
- Refresh regularly.

Charity Lot

7th Annual Auction
12 MARCH 2022

LOT 1

CHARITY LOT: RHINO TRACKING EXPERIENCE AND STAY AT KWANDWE

R

Other info: Spend three nights at Kwandwe's beautiful Ecca lodge, take part in a black rhino tracking experience and get a bird's eye view of Kwandwe and the Great Fish River from a helicopter.

Notes: A three night stay for two in a double suite at Ecca lodge with a private plunge pool, twice daily game drives, nature walks and big game walking safaris. Your stay will include a complimentary helicopter flight over the scenic Great Fish River and a black rhino tracking experience, where you can join one of our experienced rhino custodians from the Kwandwe Rhino Trust for a unique, hands-on conservation experience. The activity will involve learning how to use telemetry, which will be used to track a critically endangered Black rhino which has been fitted with a tracking collar. In most cases, collars are only fitted when the individual requires intensive monitoring. This usually takes place when the individual has recently left their mother, has been injured or is sick, for security reasons, or when it has been introduced or requires translocation to another reserve. This experience gives you the perfect opportunity to learn about the crucial 'behind-the-scenes' work that is required to manage and sustain a successful rhino population amid the ongoing poaching crisis. The proceeds of this lot will be shared between the Kwandwe Rhino Conservation Trust and the Ubunye Foundation. The Kwandwe Rhino Conservation Trust focuses on the conservation of Black Rhino in the Great Fish River Valley. The Ubunye Foundation is an established social upliftment foundation, originating on Kwandwe Private Game Reserve, but now working in over 40 rural communities in the surrounding area. It is known for its innovative and effective programmes with communities on education, livelihoods, health and wellness.

Rules of Auction

IN RESPECT OF SALES BY

WILD SWINKEL VEILINGS (PTY) LTD – REGISTRATION NUMBER: 2015/316030/07

(AS AUCTION HOUSE, HEREIN AFTER REFERRED TO AS THE “AUCTIONEER” AND THE PERSON CONDUCTING THE AUCTION REFERRED TO AS THE “AUCTIONEER”)

1. All goods sold by auction will be subject to a reserve price, unless specifically stated otherwise in the auction catalogue or by the auctioneer prior to or at the start of the auction. In the event where a bid below the reserve price is placed, the lot will be considered not to be sold or will be subject to confirmation by the Owner/Seller as indicated by the auctioneer.
2. Unless where notice is given, it is not allowed that the Owner / Seller, his agent or the Auctioneer may bid on any of the Owner's / Seller's goods sold by auction. However, individual Sellers may bid on other Sellers' animals.
3. These Rules of Auction comply with Section 45 of the Consumer Protection Act, Act 68 of 2008 ("the Act") and the Regulations of the Act as applicable, which read as follows:

Section 45: "Auctions"
 - 1) In this section, "auction" includes a sale in execution of or pursuant to a court order, to the extent that the order contemplates that the sale is to be conducted by an auction.
 - 2) When goods are put up for sale by auction in lots, each lot is, unless there is evidence to the contrary, regarded to be the subject of a separate transaction.
 - 3) A sale by auction is complete when the auctioneer announces its completion by the fall of the hammer, or in any other customary manner, and until that announcement is made, a bid may be retracted.
 - 4) Notice must be given in advance that a sale by auction is subject to—
 - a) a reserved or upset price; or
 - b) a right to bid by or on behalf of the owner or auctioneer, in which case the owner or auctioneer, or any one person on behalf of the owner or auctioneer, as the case may be, may bid at the auction.
 - 5) Unless notice is given in advance that a sale by auction is subject to a right to bid by or on behalf of the owner or auctioneer—
 - a) the owner or auctioneer must not bid or employ any person to bid at the sale;
 - b) the auctioneer must not knowingly accept any bid from a person contemplated in paragraph (a); and
 - c) the consumer may approach a court to declare the transaction fraudulent, if this subsection has been violated.
 - 6) The Minister may prescribe requirements to be complied with by an auctioneer, or different categories of auctioneer, in respect of—
 - a) the conduct of an auction;
 - b) the records to be maintained with respect to property placed for auction; and
 - c) the sale of any such property by auction.
 4. The auction is conducted for the normal and voluntary disposal of the Owner's / Seller's goods.
 5. Buyers are bidding per piece to take the lot, unless where explicitly stated otherwise by the Auctioneer or in the Auction Catalogue.
 6. The auction will start at the published time. The auction will not be delayed to allow any specific person or more persons to take part in the auction.
 7. All goods sold at the auction are sold by the Auctioneer as agent on behalf of the Owner / Seller. The Owner / Seller hereby authorises the Auctioneer to issue invoices, credit and debit notes as applicable on its behalf and agrees not to issue the aforementioned for the same supply. The Owner/Seller also hereby authorises the Auctioneer to collect the purchase price from the Buyer and the Owner / Seller do hereby cede to the Auctioneer all the Owner / Seller's rights, title and interest in and to its claim for payment of the purchase price against the purchaser, which session the Auctioneer do hereby accept.
8. The purchase price of the goods sold by auction specifically excludes VAT and VAT must be added to the purchase price and paid by the Buyer unless specifically indicated otherwise. Declaration and compliance related to all applicable taxes is the responsibility of the Owner/Seller and Buyer as relevant.
9. Transfer of risk:
 - 9.1 Risk in respect of profit and loss in the goods sold per catalogue shall pass to the Buyer upon the fall of the hammer and upon acceptance of the bid by the Owner/Seller. The risk in mortality of the goods will remain with the Owner/Seller until the goods are loaded on the Buyer's transport. Where delivery is included in the bidding price the risk in mortality of the goods will remain with the Owner/Seller until safe step-off at the Buyer's address. In the event that the Owner/Seller offers his own transport at a cost to the Buyer the risk transfers to the Buyer upon loading.
 - 9.2 In the event where animals kept in boma are auctioned, risk in respect of profit and loss in the goods sold will pass to the Buyer upon the fall of the hammer, which risk includes mortality.
 - 9.3 Notwithstanding the passing of risk, ownership shall remain vested in the Owner/Seller until such time as the full purchase price has been paid to the Owner/Seller.
10. Delivery of the goods sold at the auction, shall only be given to the Buyer upon the Buyer fully performing its payment obligations in accordance with these conditions of sale. The Owner / Seller shall be responsible for costs incurred to deliver the goods on the Buyer's transport. The Buyer shall be responsible for procuring and paying for transport of the goods from the Owner / Seller's property.

Rules of Auction

11. The parties specifically agree that no bid may be retracted after the bid has been knocked down (fall of the hammer) and accepted by the Owner / Seller, unless the Owner / Seller consents thereto in writing.
12. Subject to any reserve price placed on any of the goods by the Owner / Seller, the Buyer at any sale by auction shall be the highest bidder indicated by the auctioneer by the fall of the hammer or by such other means as the auctioneer may select.
13. The auction shall take place under the direct and exclusive control of the auctioneer. The auctioneer reserves the right, in its sole discretion, to refuse the bid of any person, to regulate the bidding and to indicate the highest bidder. If the auctioneer suspects that a bidder has not made a bona fide bid, or is unable to pay the purchase price or has not made satisfactory arrangements for payment of the purchase price, he may refuse to accept the bid of such bidder or accept it provisionally until the bidder has satisfied him that he is in a position to pay the purchase price or that he has made satisfactory arrangements for payment thereof. On refusal of a bid under such circumstances the goods may immediately be re-auctioned.
14. In the event of a dispute arising amongst the bidders and / or the Auctioneer, the goods in dispute shall, at the sole discretion of the Auctioneer, be re-auctioned.
15. Any error by the auctioneer shall be entitled to be corrected by him or her immediately upon discovery.
16. Should any contractor remove any goods from the sale venue on instruction of the Auctioneer, acting on behalf of the Buyer, the contractor will be deemed to be the contractor of the Buyer who accepts all costs and risks connected with such removal.
17. The Owner / Seller warrants that there are no encumbrances on such goods, that the said goods are the property of the Owner / Seller, and that the Owner / Seller is competent and legally entitled to dispose of the goods.
18. The Owner / Seller, who offers the goods for sale, accepts all liability regarding and warrants the information furnished as to pedigrees, ages, dates of service, state of health or gestation or any other particulars which might be incorrect. In the event of any dispute the Buyer shall only have a claim against the Owner / Seller and not against the Auctioneer. The Owner / Seller and Buyer indemnify the Auctioneer against any claim(s) regarding the information furnished as to pedigrees, ages, dates of service, state of health or gestation or any other particulars which might be incorrect.
19. Should any animal auctioned by catalogue be sold as pregnant, pregnancy will be confirmed upon capture for loading, costs of which are for the Owner's/Seller's account. Boma animals sold as pregnant must be confirmed as pregnant prior to the auction for the Owner/Seller's account. A veterinarian's report confirming pregnancy will be regarded as final. Furthermore, where an animal is sold as pregnant, pregnancy upon loading is guaranteed, but no calf or lamb is guaranteed. Once safely loaded onto the Buyer's transport, the risk of the animal's pregnancy transfers to the Buyer.
20. Where goods are put up for auction the following conditions apply to such goods:
 - 20.1 Where the age of the animals are not specified, the animals will be regarded not to be older than 5 years and in a good and healthy condition.
 - 20.2 All animals put up for auction must, where applicable, be visibly marked with ear tags and/or microchips.
 - 20.3 Where available, DNA information of the animals must be provided to the Auctioneer in order for the Auctioneer to include such information in the Auction Catalogue.
 - 20.4 In the event where the photos and specifications are not animal specific; the Buyer has the right to choose a similar animal, as described, from the herd concerned, and presented in the Auction Catalogue.
 - 20.5 In the event where the Owner/Seller acted bona fide and the animals put up for auction did not meet the specifications as described in the Auction Catalogue (i.e. pregnancy, age horn length, etc.), the Buyer has the right to cancel the transaction or to negotiate amended terms and conditions. The commission shall be payable by the Owner/Seller shall be calculated in accordance with the bid received at the auction.
- 20.6 Horn lengths provided by the Owner/Seller or its duly authorised representative, of animals put up for auction, are warranted by the Owner/Seller.
21. The Owner / Seller warrants that the goods sold are free of any known patent and latent defects and that any right or claim ceded to the Auctioneer in terms of these Rules of Auction is free of any defect or right of deduction or set-off, and that the said right or claim is fully and immediately enforceable against the Buyer.
22. The Buyer shall, prior to the sale, ascertain whether there are any defects in the goods and any bid by a Buyer shall be considered as acceptance of the goods with any patent or latent defects in their condition at the time of sale.
23. The Buyer shall not be entitled to withhold payment of the purchase price to the Auctioneer as a result of any possible or pending claim that he may have against the Owner / Seller on the grounds of misrepresentation or for any other reason whatsoever.
24. The purchase price is due and payable by the Buyer to the Auctioneer via electronic transfer ("EFT") on the day of the auction ("the payment date") unless other payment terms and or means are agreed between the Auctioneer and the Buyer. The Auctioneer reserves the right to refuse any other method or means as payment. Payment by way of EFT will only be regarded as done as soon as the funds transferred reflects and are available in the Auctioneer's bank account.
25. In the event that the Auctioneer agrees to facilitate the purchase of the goods by paying an amount equal to the purchase price to the Owner / Seller before the Buyer makes payment to the Auctioneer ("the Payment Terms Agreement"), then the following shall apply:
 - 25.1 The election to make any payment to the Owner / Seller shall be in the sole and absolute discretion of the Auctioneer, which discretion may be exercised separately with regards to each transaction entered into by the Buyer.

Rules of Auction

- sale of the goods shall forthwith be ceded and transferred to the Auctioneer, which session the Auctioneer hereby accepts.
26. In the event of any Payment Terms Agreement between the Auctioneer and the Buyer, the following shall apply;
- 26.1 No Payment Terms Agreement shall be valid unless reduced to writing and duly signed on behalf of the Auctioneer. The facilitation of any sale by the Auctioneer as referred to in this paragraph 26 shall be strictly subject to the terms and conditions of the Payment Terms Agreement.
- 26.2 In the event of any conflict between the contents of this document and the Payment Terms Agreement, the provisions of the Payment Terms Agreement shall prevail.
- 26.3 No application for credit as defined in section 8 of the National Credit Act, Act 34 of 2005, will be received or considered by the Auctioneer.
27. Anyone that intends to bid at the auction (Buyer) must register his or her identity on the bidder's record prior to the commencement of the auction and such registration must meet the requirements of the FICA (Financial Intelligence Centre Act, 2001) in respect of the establishment and verification of identity of the person. The prospective Buyer must sign the registration entry and furnish the Auctioneer with a copy of his/her identity document and proof of residence (not older than 3 months).
28. Any person who purchases on behalf of a Principal (i.e. natural person) must furnish the Auctioneer with a written signed Power of Attorney, prior to the commencement of the auction, failing which he/she will be personally liable for payment of any purchases made by him/her. The person bidding on behalf of or signing any document on behalf of the purchaser pursuant to a successful bid hereby binds himself/herself personally as co-principal debtor with the Buyer for payment of the purchase price and personally guarantees all the obligations of the Buyer under these Rules of Auction. This paragraph 28 specifically excludes where a Wildswinkel employee or agent of the Auctioneer enters bids on behalf of a Buyer, who gives instructions telephonically or otherwise, and any and all Wildswinkel employees or agents of the Auctioneer are hereby indemnified by a Buyer who gives instructions telephonically or otherwise on the Buyer's behalf and the Wildswinkel's employee or agent of the Auctioneer who signs any document on behalf of a Buyer is indemnified by the Buyer and duly authorises the Wildswinkel employee or agent of the Auctioneer to sign the vendu roll or any other document with regards to the purchase of a lot.

37. All money will be paid into a trust account for the benefit of the Owner / Seller, minus the agreed commission and additional costs agreed upon by and between the Auctioneer and Owner / Seller.

ADDITIONAL RULES OF AUCTION

1. Wildswinkel's standard Rules of Auction will apply to all lots, unless in contradiction with any of the terms set out in these 'Additional Rules of the Auction'.
2. Live-Online Bidding (if applicable):

The Auctioneer conducts the auction utilising technology where prospective Buyers are not required to attend the auction but can enter bids remotely utilising the Auctioneer's online platform. Consequently, a prospective bidder may enter bids against individuals who are physically present at the auction and vice versa. In light thereof the Owner/Seller, prospective Buyers and Buyers expressly takes note of and agree to the following:

 - 2.1 The prospective Buyers and Buyers shall strictly observe the instructions from the auctioneer where bids are accepted from the attendees and online bidding platform.
 - 2.2 The prospective Buyers and Buyers and/or its representatives, as the case may be, shall take reasonable steps to ensure that he or she is connected to the internet.  - 2.4 The prospective Buyers and Buyers and Owner/Sellers takes note and acknowledges that the auctioneer shall be entitled to close the online bidding for a particular lot prior to knocking down the hammer in order to take a final bid from the 'live attendees'. In the event where such bid was made and accepted, the auctioneer may, at its own discretion, reopen the online bidding for that lot to accept additional bids. 2.5 Once a bid is made it cannot be withdrawn. 2.6 Neither the Auctioneer, the Sellers' or the Auctioneer's representatives will be liable for any failure in connectivity or software while using the online bidding platform. 2.7 Neither the Auctioneer, the Sellers or the Auctioneer or Sellers' representatives will be liable

- b. In the event where bidding on a lot will close and a bid is received within 2 minutes of the published closing time, the time to enter a bid shall be automatically extended for an additional period, which period is customarily 2 minutes, but may vary from time to time (the "Extension Period").
- c. A lot will not close if a bid is received during an Extension Period and shall automatically be extended for a further Extension Period. A lot will only close if a final bid on the lot stands alone for a period equal to the Extension Period. - d. The "fall of the hammer" on a lot for the purposes of the timed auction is defined as the date and closing time

- e. All lots on sale on the timed auction will have a minimum starting bid price which will be indicated on the online bidding platform. Any bid above the minimum starting bid price will not necessarily be successful as the lot may be subject to a reserve price. Should the reserve price not be met, the lot will not be sold and shall be marked to be 'Subject to Confirmation (STC)'. Should the aforementioned occur it is advised to make contact with the Auctioneer as soon as possible to obtain instructions from the Owner/Seller to explore the viability of entering a transaction. This does not create any right of refusal nor does it impose an obligation on the Owner/Seller or the Auctioneer to enter any transaction.
- f. The minimum bidding increment may vary per lot but is specified on the online bidding platform.
- g. Once a bid is made it cannot be withdrawn.
- h. Neither the Auctioneer, the Sellers' or the Auctioneer's representatives will be liable for any failure in connectivity or software while using the online bidding platform.
